African Hand Made-Quilts

Each quilt is cut and hand quilted by graduate students from our sewing school. Each student spends one year learning the techniques to make all of the different products seen in this catalogue. After graduation they may choose to stay to join the cooperative and share the income that the quilts (and other products) produce. This is one way to break the cycle of poverty that they have been exposed to their entire life.

Twin - \$80/ 55,000 RWF
Full Standard - \$90/61,000 RWF
Queen - \$100 / 68, 000 RWF
King - \$110/ 75,000 RWF
*Dry Clean Only

Every quilt is unique and made with love by the young women of Tubahumurize. Customers and visitors are welcome to come to our center to visit and quilt with the girls (they will teach you their own technique). A lot of time and effort goes into making one of these quilts and, with proper care, they will last a lifetime. The customer may choose the fabric for the back of the quilt and the women of the cooperative will choose the patches for the front of the quilt with the customer in mind (this is a way to empower the young women to make choices).

Tubahumurize Association is a counseling and training center for Rwandan women. Our sewing school and quilting cooperative welcomes all visitors to see our young women in action.
